# Winter Maintenance of Parking Lots & Sidewalks Workshop

Attend this FREE training offering information on best management practices for managing snow and ice on parking lots and sidewalks. The practices will help you save money, time and the environment. An optional test is offered at the end of the workshop to earn Minnesota Pollution Control Agency (MPCA) Level 1 Certification in Snow & Ice Control Best Practices. Certified individuals are listed on the MPCA website.

**Check the Scott County website for future workshop details at:**

**<http://www.scottcountymn.gov/wmo>**

## Who should attend?

Contractors  
 Property managers  
 Schools  
 Staff & volunteers who maintain parking lots & sidewalks

## Training Topics Include:

- Selection of materials
- Application rates & materials
- Weather conditions & storing materials
- Calibration
- Keeping surfaces safe
- Policy
- New maintenance methods
- Environmental effects

**Pre-registration is required by September 20th. Email [mbokman@co.scott.mn.us](mailto:mbokman@co.scott.mn.us) or call 952-496-8887.**

Funding for the workshops is provided by the Board of Water & Soil Resources through the Clean Water Land & Legacy Amendment

Workshops are sponsored in part by:

**PRIOR LAKE - SPRING LAKE**  
**WATERSHED DISTRICT**
