### BACKGROUND / INFORMATION

The City of Shakopee is starting preliminary design and layout for the reconstruction of 12th Avenue from Vierling Drive to approximately 600' east of CSAH 83. 12<sup>th</sup> Avenue has been identified in the 2019 City of Shakopee Capital Improvement Plan and is in need of reconstruction. The purpose of the 12<sup>th</sup> Avenue Reconstruction is to provide a roadway that will better serve the adjacent commercial and industrial properties, improve daily and event traffic flow, provide pedestrian and bicycle facilities and prepare the area for redevelopment of Canterbury Park. The design of 12<sup>th</sup> Avenue will be guided by the Canterbury Commons areawide transportation impact study that was completed in 2018.
