**SEPT  
2019**

## CONTRACT

Shakopee City Council awarded the contract for the Wood Duck Trail Reconstruction to the low bidder, Northwest Asphalt, Inc., of Shakopee, MN. The contractor anticipates starting on Tuesday September 10.

## PROJECT LOCATION

- Wood Duck Trail from Hohenstein Court to Maple Trail (Project location map on back side of this sheet)

## PROJECT SCOPE

The reconstruction of Wood Duck Trail entails excavating a depth of 3 feet into the current road section and replacing the existing material with a 2-foot sand section, 8 inches of a class 5 aggregate base, and 4 inches of bituminous pavement. Drain tile will be installed in the sand section of the road to help with draining water in the subgrade of the road.

The contractor is expected to begin work on Tuesday September 10<sup>th</sup>. The road will be closed for the duration of the project as it was earlier this year, allowing access to local residents and services. The contractor anticipates a final completion date in early October.

## ROAD & DRIVEWAY ACCESS

It is our intent to maintain access to your driveway throughout the project. There will be occasional short-term disruptions to access during street excavation and construction. Residents should expect full access from 7pm to 7am each day. Please contact Alex Enyi, to discuss any special considerations or related hardship issues.

## SPRINKLERS & DOG FENCES

The city right-of-way extends approximately 15 feet from the edge of the existing roadway. Please mark any underground pet fencing and mark the portions of your sprinkler system within the city right-of-way as soon as possible. Contact Alex if any fence or sprinkler is damaged during construction.

## GARBAGE CONTAINERS

Please have your container curbside before 7a.m. regardless of the condition of your street. Occasionally the contractor will move your garbage container on pickup day to help facilitate garbage collection. Please put your address on the top of your container to ensure the containers get returned to the correct property. Your garbage will be picked up on the same day as normally scheduled.

## LANDSCAPING

Please remove all landscaping and vegetation you want to save in the city right-of-way, from the edge of the roadway to approximately 10 feet back. Contact Alex Enyi if you would like to know the removal limits and/or impacts adjacent to your property.

## MAILBOXES

The contractor will install a mailbox cluster with the address of all the affected residents in the project area, outside the construction limits of the project. The mailbox cluster will be located near the intersection of Wood Duck Trail and Hohenstein Court.
