CONTRACT

Shakopee City Council awarded a contract for the 2022 Trail Reconstruction project to the low bidder, Northwest Asphalt, of Shakopee, MN on March 15th, 2022.

PROJECT SCOPE

The project consists of full depth reclamation of existing bituminous trails and paving a new bituminous surface over the reclaimed aggregate base. The project includes the existing trail along the west side of Sarazin Street between Eagle Creek Boulevard and 4th Avenue. ADA /handicap deficient pedestrian curb ramps will also be reconstructed with the project.

Construction is anticipated to begin the second week of June and will be completed by early July weather permitting. The trails will be closed during construction and reopened as soon as construction is complete.

*A project location map is located on the backside of this sheet

IMPACTS TO YOUR YARD

The area of your yard immediately adjacent to the trail will be disturbed to allow for the construction of the trail and pedestrian ramps. There may be impacts to shrubs or plants that are adjacent (within 1-2 feet) to the trail. The City recommends transplanting any shrubs or plants until the project is complete. The City will restore the turf and landscape mulch adjacent to the trail, but will not replant any shrubs or plants removed during construction.

Please mark the portions of your sprinkler system or underground fence adjacent to existing trail and the curb and gutter as soon as possible. The contractor will be responsible for protecting or repairing irrigation systems and dog fences damaged from construction.

CITY PERSONNEL

Engineering Office: 952-233-9369
During Normal Business hours (8:00 a.m. to 4:30 p.m.)
Email: engineering@shakopeemn.gov

City Inspector: Adam Bentson
Mobile Phone: 612-749-4574
