

# Stagecoach Road

from the Roundabout at  
CR 101 to 13th Avenue

SHAKOPEE | MN  
INNOVATING. ENTERTAINING. THRIVING.

## Open House

The City of Shakopee is proposing a project to reconstruct the pavement on Stagecoach Road from east of the roundabout at CR 101 to just beyond 13th Avenue.

We invite you to an open house to discuss the components of the project, and specifically alternatives related to pedestrian and cyclist accommodations. The City is considering options for an off-road trail or on-street bike lanes. Layouts will be available and you can discuss the project with staff. The project is scheduled to be constructed in 2024.
