CONTRACT

Shakopee City Council awarded a contract for the 2023 Bituminous Pavement Rehabilitation to the low bidder, Bituminous Roadways, of Mendota Heights, MN on April 18th, 2023. There are no direct assessments to the affected property owners in this project area.

PROJECT LOCATION

- Atwood Street (between 5th Avenue and 6th Avenue) (see project location map on the backside of this page)

PROJECT SCOPE

The project consists of full depth pavement reclamation of the existing bituminous roadways. The reclaimed material will be utilized as aggregate base and a new bituminous surface will be paved. The street will narrow from 45-feet to 37-feet wide. Storm sewer in this area will be upgraded. New concrete curb and gutter, sidewalk, and driveways will be installed for this project.

PROJECT SCHEDULE

The contractor began work the first week of June. Storm sewer installation began June 8th and will be complete by June 9th. The contractor anticipates starting concrete work the week of June 12th. This includes curb and gutter, sidewalks, and driveways. Paving the bituminous base course is anticipated to happen the week of June 19th. After paving the bituminous base, restoration of the boulevard will follow. Paving the bituminous wear course will take place after all other work in the area is complete. This work is anticipated to take 1 month to complete barring any changes in schedule because of weather or other unforeseen issues.

*****EMERGENCY CONTACTS*****

During weekday working hours

City Inspector: Alex Enyi 952-240-9218

After working hours and weekends

Bituminous Roadways: 952-366-2799

Scott County Dispatch: 952-445-1411

CITY PERSONNEL

Engineering Office: 952-233-9369

During Normal Business hours (8:00 a.m. to 4:30 p.m.)

Email: engineering@ShakopeeMN.gov

City Inspector: Alex Enyi

Mobile Phone: (952) 240-9218

Email Address: aenyi@ShakopeeMN.gov

Project Engineer: Darin Manning

Mobile Phone: (612) 369-4571

Email Address: dmanning@ShakopeeMN.gov

Assistant City Engineer: Micah Heckman

Email Address: mheckman@ShakopeeMN.gov

In order to maintain the project schedule, the City has authorized the contractor to work from 7 a.m. to 7 p.m., Monday through Friday. Extended hours beyond 7 p.m. and work on Saturdays (9 a.m. to 5 p.m.) may occur when necessitated and approved by the city.

SPECIAL NEEDS AND CONSIDERATIONS

Alex will be on site most days as the construction inspector. Contacting him will be the most efficient means for you to get answers to the questions you have. If you have any special needs regarding access to and from your home (i.e. Doctors appointment, events at your residence, moving, etc.), it is important you contact Alex as soon as possible to ensure you have access when you need it.

UTILITY OUTAGES

For the most expedient service if an outage occurs, please contact the following providers as needed:

Comcast: 1-800-934-6489

CenturyLink: 877-348-9007

CenterPoint Energy (Gas leak): 612-372-5050

Shakopee Public Utilities: 952-445-6681
(Electric outage)

2023 FULL DEPTH PAVEMENT RECONSTRUCTION

ROAD & DRIVEWAY ACCESS

It is our intent to maintain access to your driveway throughout the project. There will be occasional short-term disruptions to access during excavation and construction. Residents should expect full access from 7pm to 7am each day. In addition, there will be 7 days after concrete driveways are constructed when access will be restricted to allow the concrete to cure. Please contact Alex, to discuss any special considerations or related hardship issues.

SPRINKLERS & DOG FENCES

The city right-of-way extends approximately 15 feet from the edge of the roadway. Please mark any underground pet fencing and mark the portions of your sprinkler system within the city right-of-way as soon as possible. Contact Alex if any fence or sprinkler is damaged during construction.

LANDSCAPING

Please remove all landscaping and vegetation you want to save in the city right-of-way, from the edge of roadway to approximately 10 feet back. Contact Alex if you would like to know the removal limits and/or impacts adjacent to your property.

GARBAGE CONTAINERS

Please have your container curbside before 7a.m. regardless of the condition of your street. Occasionally the contractor will move your garbage container on pickup day to help facilitate garbage collection. Please put your address on the top of your container to ensure the containers get returned to the correct property. Your garbage will be picked up on the same day as normally scheduled.

PROJECT LOCATION

Atwood Street
