

2023 BITUMINOUS OVERLAY PROJECT

**AUGUST
2023**

PROJECT SCOPE

The project consists of milling the surface of the roadway, crack repair, patching areas of pavement failure and then paving a bituminous overlay. Broken and settled concrete curb and gutter and ADA deficient pedestrian ramps will be reconstructed prior to milling of the surface.

SCHEDULE UPDATE

Area C: The Contractor began work the week of July 24th. The Contractor anticipates reconstructing the pedestrian curb ramps the week of July 31st. Milling of the streets will begin the week of August 7th and paving is scheduled for the week of August 14th.

Area D: The Contractor began work the week of July 24th. The Contractor anticipates reconstructing the pedestrian curb ramps the week of July 31st. Milling of the streets will begin the week of August 14th and paving is scheduled for the week of August 21th.

SPRINKLERS & DOG FENCES

Broken and settled concrete will be removed and replaced. Please mark the portions of your sprinkler system and/or underground fence adjacent to curb and gutter as soon as possible. The contractor will make the best attempt to protect sprinkler systems and dog fences but will be responsible for fixing them if damaged during construction.

ROAD & DRIVEWAY ACCESS

It is our intent to maintain access to the driveways throughout the project. There will be occasional short-term disruptions due to milling and paving operations.

CITY PERSONNEL

Engineering Office: 952-233-9369
During Normal Business hours (8:00 a.m. to 4:30 p.m.)
Email: engineering@ShakopeeMN.gov

City Inspector: Alex Enyi
Mobile Phone: (952) 240-9218
Email Address: aenyi@ShakopeeMN.gov

Project Engineer: Darin Manning
Mobile Phone: (612) 369-4571
Email Address: dmanning@ShakopeeMN.gov

Assistant City Engineer: Micah Heckman
Email Address: mheckman@ShakopeeMN.gov

In order to maintain the project schedule, the City has authorized the contractor to work from 7 a.m. to 7 p.m., Monday through Friday. Extended hours beyond 7 p.m. and work on Saturdays (9 a.m. to 5 p.m.) may occur when necessitated and approved by the city.

EMERGENCY CONTACTS

During working hours: Alex Enyi: (952) 240-9218

**After working hours and weekends:
Bituminous Roadways: (952) 366-2799
Scott County Dispatch: (952) 445-1411**

WE NEED YOUR HELP!

Please do not walk or drive on new concrete for 7 days. When the contractor is working on your street, please be patient and for everyone's safety, please follow the directions given by the workers. Shortly before overlaying the roadway, the contractor will apply a bituminous tack coat to the surface. **We recommend that you avoid driving on this tack coat as it may track onto your driveway from your tires.** Also, please avoid driving on the fresh pavement until it has been rolled and avoid parking on it until it has had a chance to cool.

**A project location map is located on backside of this sheet.*

2023 BITUMINOUS OVERLAY PROJECT LOCATION MAP

Area C: Southbridge Parkway (from Old Carriage Court to County Road 21), Old Carriage Court, Stratford Drive, and Stratford Circle

Area D: Grove Circle, Grove Place and Riverside Drive
