### **315.2 POLICY**

The Shakopee Police Department's response to incidents of domestic abuse and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic abuse is criminal behavior. It is also the policy of this department to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

### **315.3 OFFICER SAFETY**

The investigation of domestic abuse cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede

the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

#### **315.4 INVESTIGATIONS**

The following guidelines should be followed by officers when investigating domestic abuse cases:

- (a) Calls of reported, threatened, imminent, or ongoing domestic abuse and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, officers should obtain and document statements from the victim, the suspect, and any witnesses, including children, in or around the household or location of occurrence.
- (c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.
- (d) When practicable and legally permitted, video or audio record all significant statements and observations.
- (e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. Follow up should be assigned to contact the victim to request follow up photos of any injuries.
- (f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.
- (g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement and make an arrest or seek an arrest warrant if appropriate.
- (h) Collect any evidentiary items including firearms or dangerous weapons as needed.
- (i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.
- (j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:
  1. Whether the suspect lives on the premises with the victim.
  2. Claims by the suspect that the victim provoked or perpetuated the violence.
  3. The potential financial or child custody consequences of arrest.
  4. The physical or emotional state of either party.

5. Use of drugs or alcohol by either party.
6. Denial that the abuse occurred where evidence indicates otherwise.
7. A request by the victim not to arrest the suspect.
8. Location of the incident (public/private).
9. Speculation that the complainant may not follow through with the prosecution.
10. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or marital status of the victim or suspect.
11. The social status, community status, or professional position of the victim or suspect.

#### **315.4.1 IF A SUSPECT IS ARRESTED**

If a suspect is arrested, officers should:

- (a) Provide the victim's contact information to the jail staff to enable notification of the victim upon the suspect's release from jail (Minn. Stat. § 629.72 Subd. 6).
- (b) Advise the victim whether any type of court order will be requested when the suspect is released from jail.
- (c) Provide victim with with the department's Crime Victim Information Handout.

#### **315.4.2 IF NO ARREST IS MADE**

If no arrest is made, the officer should:

- (a) Advise the parties of any options, including but not limited to:
  1. Voluntary separation of the parties.
  2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit). Provide victim with with the department's Crime Victim Information Handout.
- (b) Document the resolution in a report.

#### **315.5 VICTIM ASSISTANCE**

Because victims may be traumatized or confused, officers should be aware that a victim's behavior and actions may be affected.

- (a) Victims should be provided with the department's crime victim information handout, even if the incident may not rise to the level of a crime.
- (b) Victims should be alerted to any available victim advocates, shelters, and community resources.
- (c) When an involved person requests law enforcement assistance while removing essential items of personal property, officers should stand by for a reasonable amount of time.

- (d) If the victim has sustained injury or complains of pain, officers should seek medical assistance as soon as practicable.
- (e) Officers should ask the victim whether he/she has a safe place to stay and assist in arranging transportation to an alternate shelter if the victim expresses a concern for his/her safety or if the officer determines that a need exists.
- (f) Officers should make reasonable efforts to ensure that any children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- (g) If appropriate, officers should seek or assist the victim in obtaining an emergency order.

#### **315.6 DISPATCH ASSISTANCE**

All calls of domestic abuse, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.

Dispatchers are not required to verify the validity of a court order before responding to a request for assistance. Officers should request that dispatchers check whether any of the involved persons are subject to the terms of a court order.

#### **315.7 FOREIGN COURT ORDERS**

Various types of orders may be issued in domestic abuse cases. Any foreign court order properly issued by a court of another state, Indian tribe or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court order shall be enforced, regardless of whether the order has been properly registered with this state.

##### **315.7.1 CANADIAN ORDERS FOR PROTECTION**

An order for protection issued by Canada or a Canadian province shall be enforced as if it were the order of a court in this state and afforded the same consideration as foreign court orders with respect to proper issuance and registration (Minn. Stat. § 518F.03).

#### **315.8 VERIFICATION OF COURT ORDERS**

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and, where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
- (b) Check available records or databases that may show the status or conditions of the order.

- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.

#### 315.8.1 VIOLATION OF COURT ORDERS

The officer shall verify whether any of the following orders exist before or during an arrest. The officer or someone acting at the officer's direction may make this verification. Methods of verification include personally seeing a copy of the order or obtaining verification from the court or law enforcement agency that has the actual order. The police report shall include identifying information of the specific court order violated, including county of origin, the file number, and the provision allegedly violated.

#### 315.8.2 ORDER OF PROTECTION (OFP)

An officer shall arrest and take into custody without a warrant a person who the peace officer has probable cause to believe has violated an order for protection granted pursuant to MN Statutes, Section 518B.01, subd 6, 7, and 9. Such an arrest shall be made even if the violation of the order did not take place in the presence of the peace officer, if the officer can verify the existence of the order. There is no hour limitation for a warrantless arrest for a violation of an Order for Protection.

A violation of an OFP is a misdemeanor but is enhanceable to a gross misdemeanor if the offense occurs within ten years of discharge from sentence for conviction of violations of an OFP or for any assault, terroristic threats, violation of a harassment order or harassment/stalking. It is enhanceable as a felony if it occurs within ten years of discharge of the first of two or more such convictions.

#### 315.8.3 DOMESTIC ABUSE NO CONTACT ORDER (DANCO)

An officer shall arrest without a warrant and take into custody a person who the peace officer has probable cause to believe has violated a DANCO pursuant to MN Statutes, Section 629.75 subdivision 3, even if the violation of the order did not take place in the presence of the peace officer, if the existence of the order can be verified by the officer.

The pretrial DANCO is sometimes continued at the time of sentencing with a new, probationary DANCO issued as a condition of probation. This DANCO may be valid for the full probationary period indicated in the order.

The court may rescind a DANCO at any time. However, a victim's production of a copy of an apparently valid court order, absent contrary evidence, provided prima facie basis for arrest whenever there is probable cause to believe a violation of the order has occurred.

#### 315.8.4 HARASSMENT RESTRAINING ORDER (HRO)

An officer shall arrest and take into custody a person who the officer has probable cause to believe has violated a harassment restraining order pursuant to MN Statutes, Section 609.748, subdivision. 4 and 5, if the officer can verify the existence of the order.

NOTE: A person who violates an HRO is guilty of a misdemeanor if the violator knows of the order. This offense is enhanceable to a gross misdemeanor if it occurs within ten years of a previous qualified domestic violence-related offense conviction or adjudication of delinquency. Per MN Statute 609.748, subd. 6(d), it is enhanceable to a felony if the person knowingly violates the order:

1. Within 10 years of the first of two or more previous qualified domestic violence-related offense convictions or adjudications of delinquency.
2. Because of the victim's or another's actual or perceived race, color, religion, sex, sexual orientation, disability (as defined in section 363A.03), age, or national origin.

##### 315.9.1 STANDARDS FOR ARRESTS

Officers investigating a domestic abuse report should consider the following:

Stat. § 629.34; Minn. Stat. § 629.341).
- (b) Officers should generally not make dual arrests but may make an arrest of a primary aggressor.
