**APRIL
2024**

CONTRACT

Shakopee City Council will award a contract for the 2024 Mill and Overlay project to the low bidder, Bituminous Roadways, of Shakopee, MN on April 16th, 2024. There are no direct assessments to property owners on this project.

PROJECT LOCATION

- Multiple Areas throughout the city

*Project Location Map on the back

PROJECT SCOPE

The project consists of milling the surface of the roadway, crack repair, patching areas of pavement failure, and then paving a bituminous overlay.

Broken and settled concrete curb and gutter and ADA deficient pedestrian ramps will be reconstructed at the start of the project. The milling of the street, crack repairs and paving of the street will begin following the completion of all concrete work. This work is anticipated to be completed within one to two weeks of milling the streets. The actual paving on your street should take less than a day.

The contractor will be posting temporary signs in the boulevards notifying residents of any parking restrictions during construction. Please use caution and patience while driving in the construction zone and comply with all parking restrictions and temporary traffic control.

APPROXIMATE START DATES BY AREA

The contractor anticipates starting construction the week of April 22nd, but we have not received the schedule by area location. The city will update the city website with a schedule for each area as it becomes available, and we will mail out an updated project newsletter then.

EMERGENCY CONTACTS

During weekday working hours

City Inspector: TBD

After working hours and weekends

Bituminous Roadways Emergency Line: TBD

Scott County Dispatch: 952-445-1411

CITY PERSONNEL

Engineering Office: 952-233-9369

During Normal Business hours (8:00 a.m. to 4:30 p.m.)

Email: engineering@shakopeemn.gov

City Inspector: TBD

Project Coordinator: Alex Enyi

Email Address: aenyi@shakopeemn.gov

Assistant City Engineer: Micah Heckman

Email Address: mheckman@shakopeemn.gov

In order to maintain the project schedule, the city has authorized the contractor to work from 7 a.m. to 7 p.m., Monday through Friday. Extended hours beyond 7 p.m. and work on Saturdays (9 a.m. to 5 p.m.) may occur when necessitated and approved by the city.

SPECIAL NEEDS AND CONSIDERATIONS

There will be an inspector on site most days. The inspector for this project is TBD. Contacting the on-site inspector will be the most efficient means for you to get answers to the questions you have. In the meantime, contact Alex Enyi at 952-240-9218 if you have any questions about the project prior to the start of construction. If you have any special needs regarding access to and from your home (i.e. Doctors appointment, events at your residence, moving, etc.) when construction starts, it is important you contact the on-site as soon as possible to ensure you have access when you need it.

UTILITY OUTAGES

For the most expedient service if an outage occurs, please contact the following providers as needed:

Comcast: 1-800-934-6489

CenturyLink: 877-348-9007

CenterPoint Energy (Gas leak): 612-372-5050

Shakopee Public Utilities: 952-445-6681
(Electric outage)
