

# Shakopee Public Works

## Fleet Foreperson

Come help us lead in our state-of-the-art and spacious 15,000 sq. foot facility that provides greater efficiency to employees for completing their work by providing adequate space for toolboxes and mobile computer technology at their workspaces.

If you're seeking variety in your work, you will not be disappointed as the fleet maintenance team maintains and repairs nearly 174 city vehicles and equipment (including police and fire vehicles) and more than 70 small engines (weed-eaters, mowers and chainsaws).
